To Whom It May Concern,

Letter of Recommendation: Meredith Richter

As assistant manager of Lunatic Entertainment, London, I have many interns cross my path. I found Meredith to be stand out in comparison. In a short time she became a real asset to our team.

She is diligent, intelligent and takes on any task with enthusiasm. With training and time I believe she would be a tremendous addition to any company and we would be happy to have her work with us again.

Yours sincerely,

Nina Ralfini
